

## “Painterly Collage with Water Media” CLASS

By Sherry Kimmel

- 1) Bring a gesso board panel in either size 8”x10 1/2” or 9”x12”.
  - 2) On the gesso board panel trace your subject (keep it simple) before class so we can begin with preparing papers for collage.
  - 3) Fluid acrylics (I use Golden small size.) If you have other brands, bring them. I like Golden for its beautiful colors.
  - 4) Bring acrylic brushes, a palette, gel medium, an old brush for gluing and an old plastic card (wallet size,) or scraper/putty spreader for decorating papers you collage.
  - 5) Scissors, paper towels, water container, and spray bottle. If you have an eye dropper bottle or spray bottle with some isopropyl alcohol, bring it. I have six bottles to share with the class.
  - 6) Basic collage supplies; purchased or decorative papers, rice papers, maps, sheet music, dictionary pages, or other vintage pages. I have some to share.
  - 7) Stencils if you have them. I have some to share.
- 
- 1) Bring lunch.
