

Please bring the watercolor materials you normally use for watercolor painting.

If you are new to watercolor you may need the following:

1. A number 8 round watercolor brush
2. A 1/2 inch flat watercolor brush (an inch would be best)
3. A palette to put your paints on
4. Watercolor tube paints: Or purchase a small watercolor kit
 - a. ultramarine
 - b. cadmium yellow
 - c. cadmium red
 - d. alizarin crimson
 - e. sap green
 - f. burnt sienna
 - g. cerulean blue
5. Small spray bottle and paper towels
6. A small sheet of cardboard or plexi to support your watercolor paper.
7. Watercolor paper. I will be using a quarter sheet of cold press paper for the demonstration. Use the size you enjoy the most.
8. A small container for water.
9. A pencil
10. Tape to attach your paper to your cardboard or plexi. You can use blue tape.

I will supply the tissue paper for the collage.

I will also bring watercolor paper that you may purchase if you need paper.

Feel free to email me with any questions. salexisw@aol.com Thanks, John
