

Inside the Box Supply List

Imagine walking into a theater and seeing brightly lit objects on the stage that all belong to you. There is a reminder of your childhood, a memoir from your trip around the world, a favorite cup and a colorful jar of jaw breakers.

An enchanted mood exists under the soft lighting and a backdrop of glowing sunlight.

The box is your theater.

Setting the Stage

You can group or arrange objects according to size and color.

You can make yourself really small and create pathways to allow space for cast shadows.

Add lighting to enhance drama and mood.

Finally capture the scene by photographing your set up with your cell phone camera.
