

## Visions of Possibilities | Prospectus

An exhibition opportunity for Juried Members of AAG

**Visions of Possibilities** is an art exhibition in partnership with the Beatitudes Assisted Living Community, a senior care facility in central Phoenix. AAG is now accepting entries for a one or two-person three-month-long exhibit. Rotating quarterly, residents of the Beatitudes and their families enjoy the changing exhibitions and the opportunity to enjoy art when often they cannot get out to experience it at museums or galleries.

AAG is pleased to partner with The Beatitudes Campus Foundation in bringing fine art to its residents, families, friends and visitors. This partnership reinforces AAG's mission statement to continue its long standing tradition of art leadership in Arizona by promoting quality artwork for public viewing and appreciation.
