

Supply List

- Artworks will be ready to take home after the class.
- Pastels do create dust, so please come prepared with an apron and dust mask if necessary. Bring gloves if that is your preference.
- I will supply paper and sundries, and have some student-grade pastels, for a supply fee of \$5 per person.
- Artist grade pastels offer more vibrant colors, so please bring along any you have - Sennelier, Richeson or Unison are great choices. Also bring some basic watercolors for the under painting.
 - Microfiber to keep hands clean.
 - Please bring a bold flower, something with good color, and a small ball jar to hold it in.
